Dear Rev. Steele,

Because of your prior and current status of “being in good standing” as a clergyperson in the Diocese of Churches for the Sake of Others (C4SO), our Executive Team (Standing Committee) has approved your request to resign from ministerial duties while remaining in Holy Orders. C4SO accepts your decision to relinquish the right to exercise the gifts and spiritual authority as a Minister of God's Word and Sacraments in the Anglican Church in North America.

I confirm for all whom it may concern that you are not now, nor have ever been, under discipline and that your resignation is not due to any irregularity and casts no doubt on your moral character.

Thank you, Joshua, for your many selfless acts of leadership on behalf of C4SO and the Anglican Church in North America.

The Executive Team of C4SO and I wish you God’s best blessings in the years to come.

Sincerely in Christ,

Todd Hunter
Bishop Ordinary, C4SO
